Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. eight hundred and ninety-three, by THE COPP, CLARK COMPANY (LIMITED),
Toronto, Ontario, in the Office of the Minister of Agriculture.

PREFACE.

This collection of Questions in History, contains ten entrance examination papers and five papers set for the Primary and Third Class Examinations, together with all the questions given at the Matriculation Examinations of Toronto University for the years 1883 to 1892 inclusive.

By referring to the index it will be observed that the questions for the three examinations are in separate groups, arranged when possible in chronological order. Such questions as did not admit of chronological arrangement are classified by topics.

What is most important in the History prescribed for the Public and High Schools of Ontario? These questions are the answer of a considerable number of examiners to this inquiry. To what use can this book be put? When assigning a lesson, say, on the reign of Queen Elizabeth, dictate to your pupils a few questions the answers to which cannot be gotten without a complete reading of the lesson to be prepared. Make the questions and their answers the basis for discussing the subject at the next recitation.
